LetterMark®
Rogo™

LetterMark Monitoring powered by Rogo is a new class of video monitoring. Enjoy the benefits of:

- Motion sensor; emails alert with photo to your cell phone
- Live updates on your PC or smart phone
- 24/7 auto-purging or permanent off-site storage
- Runs in background, your computer is free to do other tasks
- Works with existing computer or dedicated wireless Netbook

RESTAURANT.COM®
IMPROVING PROFITS ONE TABLE AT A TIME™

In addition to extending your restaurant's reach, Restaurant.com can increase your restaurant's profits with several benefits:

- Increased traffic from Restaurant.com
- Increased customer loyalty through comments and customer databases
- Ability to track your advertising dollars.
- and more!
